### **Friendly Reminder**

Per ordinance 8.20.190 Removal of snow and ice, it is the owners and/or occupants responsibility to remove snow, ice or slush from sidewalks abutting said property and maintain them free of the same. If any owner or occupant fail to comply with this subsection, the city may, after a reasonable effort to contact the owner/and or occupant either in person or by telephone, have the snow, ice or slush removed and charge the owner or occupant for the costs thereof, as provided in section 8.20.070.

It is unlawful for any person to remove snow from private property and place the same on the public street in such quantity, or in such a manner, as to cause a hazard to travel, without adequate arrangements for the immediate removal thereof.

So with this said, please keep sidewalks clear of snow and ice and do not put your snow and ice out into the street.

Thank you for your cooperation with this.
